Production and requirement of milk

*506. SHRI S. AGNIRAJ: Wili the Minister of AGRICULTURE be pleased to state:

(a) what is the total production of milk in Government and private sectors, State-wise;

(b) what is the total requirement of milk per day; and

(c) what steps are being taken to fulfil the shortfall in milk production *vis-a-vis* consumption?

THE MINISTER OF AGRICULTURE (SHRI NITISH KUMAR): (a) The State-wise production of milk is given at Statement *(See* below). There is no separate accounting for Government and private sector production.

(b) As per the "Dietary Guidelines for Indians" 1998, issued by the National Institute of Nutrition (Indian Council of Medical Research), Hyderabad, all adults (both women and men) should take 300 ml of milk per day while children and adolescents should take 500ml of milk per day.

(c) The per capita availability of milk is 221 grams per day.

To increase the production of milk in the country, the Government of India is implementing the following schemes.

1. National Project of Cattle and Buffalo Breeding
2. Integrated Dairy Development Project
3. Assistance to States for Fodder Development
4. National Project on Rinderpest Eradication
5. Assistance to States for Control of Animal Diseases

Statement

State-wise milk production

(000 Metric Tonnes)

Potato Production in U.P.

*507. DR. SWAMI SAKSHI JI MAHARAJ: Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government are aware that potato production in Uttar Pradesh is facing glut for the last three-four years and farmers have suffered heavily in financial terms; and

(b) if so, what steps have been taken so far or are proposed to be taken, to meet the situation?

THE MINISTER OF AGRICULTURE (SHRI NITISH KUMAR): (a) The estimated production of potato in U.P. has been higher in last 3 years compared to 1997-98 but no glut is reported in the current year. However, prevailing price is reported lower due to higher production.

(b) The Market Intervention Scheme is implemented for procurement of horticultural items of importance when their prices tend to fall below economic levels on the formal request of concerned State Governments, if the State Government is willing to share 50% of the losses, if any, incurred in the procurement process.

Additional funds for sewagotommon treatment plant in Delhi

*509. SHRIMATI JAYAPRADA NAHATA:
SHRI K. KALAVENKATARAO:

Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether Yamuna is still being polluted in Delhi as sewage treatment plants have not been constructed for treatment of effluents from 19 major drains;

(b) whether the Delhi State Industrial Development Corporation is
